

Penn West Conference  
Committee On Ministry Report  
2022-2023

Last Oct. 24 & 25 we held our Conference Pastor's Retreat at Antiochian Village with Meredith Hutchinson and Joe Hedden leading the sessions on "The New Normal; Integrating Spiritual Practices." The retreat was attended by 20 some clergy.

Our Committee authorized the Pittsburgh Association to go ahead with a 5 way covenant to make way for an Ordainable Call.

Work on a new Church Manual for Ministry will eventually be forthcoming from our denomination .

David continues to keep us updated on the Keystone Conversations of the 4 Pa. Conferences talking about working together in the future.

This year's Continuing Edu./Ethics Training was held thro March on Departure/Retirement Boundaries led by Tara Barber from MESA.

Our Penn West Academy is presently [as of this writing] searching and advertising for 2 new professors: 1 for Worship and preaching and 1 for Church History.

Again, we can't thank David enough for his untiring and excellent leadership for our Committee!

Sincerely,

  
Barry W. Fillman
