

Penn West Conference

Global Mission Team

Annual Report

2023

We continue to work with the Northwest Luzon Conference of the United Church of Christ in the Philippines. They notified us that they did receive the contribution that we sent in lieu of our mission trip. The money was used to support their SHEEP (Sustaining Help with Education Expenses in the Philippines) fund. The funds go to educational assistance to children and seminarians in the NWLC. We had a SHEEP Fund Sunday on February 12th with \$3,177 donations received.

We are also planning to create a video about our Penn West Conference to send to the Philippines and invite them to send one to us.

We get regular updates from our local churches regarding their mission work. These include projects for Hoffman Homes for Youth, backpack programs, local community food banks and toy giveaways.

We are working with our Disaster Ministry to possibly have a relief trip to Florida to help victims of Hurricane Ian. This could occur after the emergency relief from FEMA is completed. We are also evaluating how to support Ukrainian refugees.

We are also planning to continue with the Global Ministries' Child Sponsorship Program.

We are looking for Global Mission Team members! If you are interested, please contact the Penn West Conference office.
