

## **Caring for Churches, Caring for Clergy Program**

We are in the final year of our campaign with \$403,163.83 of our \$500,000 goal, given and pledged. Our Caring for Churches Caring for Clergy program was inspired by our United Church Board of Ministerial Assistance in conjunction with our board of directors because it addresses needs of our local churches and local clergy. This campaign will help supplement our Mission Grants program funding. Our churches can also help by considering this as a mission giving opportunity to help your neighbor churches who are in need of assistance. Call the conference office if you would like more information the different options available.
