In 2023 our world experienced great instability and trauma, which continues into the new year. Across the Middle East and Russia/Ukraine, the news reports were inadequate to convey the casualties of war and terrorism and displaced peoples. Governments are reeling, seeking geopolitical advantage while people of faith the world over are praying for strength, direction, courage, healing and peace. The promises of God are solid rock, firm in every challenge – offered to people in all lands for the healing of the nations. In Breezewood, a humanity of truckers, staff, and travelers intersect seeking to complete a delivery, offer hospitality, or sojourn to the unknown. The ministry offers a presence of help, hope, and prayer among those we encounter, often celebrating with other believers what amazing things the Lord has done, is doing, will do! It is pure joy to share the Good News at a crossroads, leaning not on our own understanding or agenda but standing firm in the promised Messiah amidst the destructions and distractions of humankind. We have been given precious marching orders of faith to share at the interstate crossroads in Breezewood, PA!

The ministry continues to coordinate food, fuel, care packages, transportation, camp supplies, and emergency lodging for those in need. We give thanks for a management team, partner churches, businesses, and individuals whose faithfulness multiplies resources for ministry! Praise God from whom all blessings flow!

*Trust in the Lord with all your heart, and lean not on your own understanding;
in all your ways acknowledge Him, and He shall direct your paths. ~ Proverbs 3:5-6*
