The board of directors of Living Waters Camp and Conference Center thanks all the churches and individuals who have supported the camp this past year, both financially and with volunteers. Your contributions have allowed us to have a very successful year. We are excited for the 2024 camping season and a continued partnership with all who embrace the value of outdoor ministry.

This year our first week of camp will be from June 23 to June 29. The K to third grade will be in the Westcoat Lodge and fourth to sixth grade will be in the meadow cabins. During July 7 to 10 we will have Grandparent / Grandchild camp in the Westcoat Lodge. From July 7 to 13 the Junior Senior High Camp will be in the Pioneer Area.

In addition to our "Conference Camps" we will also be hosting Camp Cadet, the Trinity Youth Conference, the Mennonite Mission Camp, Tres Dias, and the annual Lumberjack competition, and the annual Fishing Tournament. The camp is also being used for many church retreats, reunions, weekend trailer camping, and parties.

Thanks to the generous support we have received we have replaced the tractor and have renovated the meadow bath houses. We have also been given a new mini cabin which is being placed in the pioneer area. Last fall we were able to upgrade the electric service to 6 RV sites and supply water to each of them. We are now working with Penelec to upgrade our service so that we can increase power to the remaining sites. Cohen Clark from Berlin is totally renovating the playground as an Eagle Scout project this Spring.

We continue our partnership with the Central Atlantic Conference. This past summer we had our first campers come from Virginia in addition to those who travel from Maryland.

Of course we are always seeking new volunteers to help in the kitchen or to serve as counselors. This summer we will have two cooks and two local boys on the summer staff. Anyone interested can contact the camp office.
